**CITY COUNCIL.**

Proceedings at the City Council  
on Tuesday evening, June 28th, 1881,  
Alderman Pyper presiding:

A communication was received  
from H. W. Lawrence, chairman of  
the committee on invitation of the  
Fourth of July celebration, inviting  
the Mayor and the City Council of  
the city to participate with the citizens  
of Salt Lake in celebrating the  
105th anniversary of our country's  
independence, on Monday, July 4th,  
1881. On motion, the communication  
was received and the recorder  
instructed to acknowledge the courtesy  
and inform the committee that  
the Council would be unable to accept  
the invitation, on account of their  
presence being required at the  
ceremonies incidental to the opening  
of the new park at Mill Farm, and  
their intention to participate in  
the Fourth of July celebration to be  
held there.

The Police Court report for May  
was submitted, showing that sixty-  
three cases had been tried and dis-  
posed of, and \$415 assessed in fines.  
\$215 dollars of which had been paid  
in cash and \$200 in labor. Accepted  
and filed.

The watermaster submitted his  
report of expenditures for the quar-  
ter ending May 31st, showing a total  
expenditure of \$849.85. Referred to  
the committee on claims.

The committee on water works  
reported that they had examined  
the quarterly report of the superin-  
tendent of water works and found it  
correct. They therefore recom-  
mended the approval of the report  
and the appropriation of the bal-  
ance due the account, viz: \$352.61.

The committee on finance reported  
that they had examined the canal  
report for the month of May, and  
found the vouchers all properly  
signed and countersigned, and the  
vouchers all correctly reported.  
They recommended therefore that  
the canal report be accepted and  
placed on file. Adopted.

The committee on public grounds,  
with the city attorney associated,  
to whom was referred the subject of  
drafting a resolution providing for  
the opening and dedication of the  
grounds recently purchased by the  
city for a park and the arrangement  
of ceremonies suitable for the occa-  
sion, reported a resolution in rela-  
tion to the park and a  
programme of ceremonies for the  
opening of the park to the public.  
Report accepted and resolution laid  
over to come up in its order.

An appropriation of \$21,009.72  
was made to take up several tempo-  
rary loans contracted previous to  
the sale of the Market Lot, to pay  
the purchase money for the Mill  
Farm.

The resolution in relation to the  
city park was taken up and read.  
The park was designated and named  
"Liberty Park," and the resolution  
was adopted and referred to the  
committee on enrollment to be en-  
rolled, signed and published.

The programme of ceremonies for  
opening "Liberty Park," to be held  
on the morning of Monday, July 4th,  
1881, was read and decided upon,  
and it was agreed that the members  
of the Council be on the ground on  
that morning at 9 o'clock.

Adjourned for one week.

**The Popular Judgment.**

Burnett's Cocoaine for the hair  
and Burnett's Standard Flavoring  
Extracts for cooking purposes are  
articles in point. They have been  
before the public many years, one  
by one they acquired friends; then  
they counted their hundreds; then  
their thousands. Success created  
rivals; competition assailed them,  
but their sterling merits withstood  
all opposition, and the popular ver-  
dict was largely rendered in their  
favor.

These, together with Burnett's  
other Toilet Articles, are now "house-  
hold words," and in household use  
throughout the states and in many  
foreign countries.

They are of such admirable make  
as to combine substance with ele-  
gance—the supply of a genuine want  
with an appeal to the imagination  
in the poetry of their composition.  
And for these reasons Burnett's  
Preparations will enjoy an ever-  
increasing sale, and an ever-bright-  
ening reputation.
